

10-Year Battery Powered Natural Gas Alarm (DD620NV)

Superior Features

- Voice alerts in multiple languages (English & Spanish)
- Early Warning Technology™ (10% LEL) vs. plug-ins alarms (20-25% LEL)
- 11 minutes more escape time
- Exclusive MEMS gas sensor technology
- Fast & easy installation - no wiring or AC power required

One Alarm is Not Enough

- Install life-saving detection in every room where gas is present
- DeNova Detect protects families, neighbors, and communities from dangerous natural gas leaks

First and only battery-powered natural gas alarm in the US

True Cost of Ownership

- Plug-in alarms cost 5X more vs. DeNova Detect 100% battery-powered natural gas alarms
- DeNova Detect alarms cost less than 3 cents a day to protect lives
- No electricity costs or battery replacements needed
- DeNova Detect saves about \$200 over 10 years of every alarm

Heath Consultants Incorporated operates under a continual product improvement program and reserves the right to make improvements and/or changes without prior notification.
